

Nepal no doubt is an ultimate destination not only for trekking, mountaineering but also for photography. Therefore why photography tours in Nepal have been popular in recent days and apart from us, Glacier Adventure team, the separate package has frequently been organized by numerous trekking agencies in Nepal. Every step you take and every destination you trace through across Nepal, you will encounter fabulous scenes and sceneries and be amazed at picturesque landscapes offering you wonderful options for having photography in the country. Either you simply stroll around the Kathmandu valley, where you will be amazed the cultural, religious, historical, archeological sites and wonderful historical and cultural monuments, temples, shrines, beautiful arts, and architecture and what not. Stroll around the heritage sites namely Kathmandu Durbar Square, Patan Durbar Square, Bhaktapur Durbar Square, Swayambhunath, Boudhanath, Pashupatinath, Changunarayan all are worth capturing.

If you wish to go out of Kathmandu valley or adjoining hillsides such as Nagarkot, Dhulikhel, Kakani, Namobuddha, Daman or you name at any place, you would like to spend more time and take snaps of the incredible landscapes, majestic mountains, greenery jungles, terraced fields, the beautiful settlements of various ethnic groups, their lifestyles, houses thatched with stone or distinct landscapes or if you wish to go for long tour, everywhere you will find worth capturing scenes, best for photography all are awaiting your arrival.
