fun.

Acclimatization

Glacier Adventure's Tilicho Lake with Thorong la Pass trekking itinerary is focus rules AMS (Acute Mountain Sickness) when going up too fast causes a medical condition serious enough to kill. Higher mountains area is less oxygen in the air. If, trekkers are wanted Tilicho Lake with Thorong la Pass trekking. Their body needs some days to rest in the less air environment. Especially, travelers need to know the heart, lungs/blood diseases to consult their doctor before leaving home. Glacier Adventure's itinerary designed to try to prevent AMS as much as possible. It is important to remember that some people are more susceptible than others.

Physical Condition & Experience Requirements

Normally, Tilicho Lake with Thorong la Pass trekking is a remote mountain in the Annapurna region. This is suitable for physical fit walkers. The traveler must be in good health and physical condition. Most parts of treks five to six hours walk but some days are seven hours. It is a good idea; prepare yourself in the lead-up to your trip with some regular exercise. The best form of which is long walking in the hill area. Technical experience is not required, hiking experience is an advantage, but the most important thing is a positive attitude and a generous amount of determination. If you have any pre-existing medical conditions, it is vital you let us know the details of these before setting Also, before coming to Nepal it's important to consult your doctor regarding vaccination and any other medical concerns the trip may raise. "Medical and emigration expenses are your responsibility."

Insurance

When traveling with Glacier Adventure. Trekkers must be fully insured, including Air rescue, Air ambulance, and treatment service. Have an accident? Trekkers should be careful in choosing a policy; however, as some make special exceptions for adventure travel. Please note that Glacier Adventure doesn't arrange any insurance.

Staff Arrangements

Glacier Adventure staffs try to make successful, enjoyable and memorable in your Tilicho Lake with Thorong la Pass trekking. They are innocent, helpful, experienced and Careful. Your trip leads by the best and most professional leader. He had a long experience. He has knowledge of Culture, Ecosystem, flora and fauna, geography and history of Nepal. Glacier Adventure's leader trained following things

English Language.

Trekking guide training.

First aid course.

Conservation & Biodiversity

Porter care

Trekking is adventures. Porter's job is the hard working job. They carry trekker supplies and baggage that makes a journey easy and comfortable into the remote mountains in the Annapurna region. We ensure all our porters are well trained and well paid. Porters who become sick are treated with the same care and attention as

team members and we have previously used helicopters at Tour expense to rescue porters from dangerous situations. The porter's sake, we require all trekkers keep their bag weight 15 to 20kg. We support the work of the International Porter Protection Group (IPPG), Provides help and advice to those organizations to improve the working conditions of the porters on whom we depend.

Accommodations

All accommodations for Tilicho Lake with Thorong la Pass trekking are twin sharing basic included in trip cost. The trip based on, standard service and Standard hygiene food. There are two types of accommodations on the trip. Standard tourist hotel in Kathmandu, Pokhara and during the treks, Trekkers spends standard Guest house which one normal room with wooden beds and foam mattress. Glacier Adventure also provides the attached bathroom where is possible. Some places are only having shared shower/washing and toilet facilities. We always try to provide good rooms in all places.
